### Presentation

|                                   |                                         |                                      |         |
|-----------------------------------|-----------------------------------------|--------------------------------------|---------|
| <b>Use</b>                        | Single-compartment service wine cabinet | <b>Number of compartments</b>        | 1       |
| <b>Installation</b>               | Built-in installation                   | <b>Adjustable temp. range of use</b> | 5°-18°C |
| <b>Ambient temp. range of use</b> | 10°-32°C                                |                                      |         |

### Dimensions

|                          |       |                        |       |
|--------------------------|-------|------------------------|-------|
| <b>Gross width (cm)</b>  | 65.00 | <b>Net width (cm)</b>  | 59.20 |
| <b>Gross depth (cm)</b>  | 65.00 | <b>Net depth (cm)</b>  | 55.10 |
| <b>Gross height (cm)</b> | 51.50 | <b>Net height (cm)</b> | 45.90 |
| <b>Gross weight (kg)</b> | 32.00 | <b>Net weight (kg)</b> | 28.00 |
| <b>Gross volume (l)</b>  | 57,70 | <b>Net volume (l)</b>  | 57,00 |

### Capacity

|                               |              |                                  |    |
|-------------------------------|--------------|----------------------------------|----|
| <b>Number of bottles</b>      | 24           | <b>Other type of shelves (1)</b> | No |
| <b>Capacity / nb of shelf</b> |              | <b>Number of shelves (1)</b>     |    |
| <b>Number of cans</b>         | 0            | <b>Type (1)</b>                  |    |
| <b>Shelves modularity</b>     | None         | <b>Front (1)</b>                 |    |
| <b>Main type of shelves</b>   | Wood shelves | <b>Other type of shelves (2)</b> | No |
| <b>Number of shelves</b>      | 3            | <b>Number of shelves (2)</b>     |    |
| <b>Type</b>                   | Semi-sliding | <b>Type (2)</b>                  |    |
| <b>Front</b>                  | Metal        | <b>Front (2)</b>                 |    |
|                               |              | <b>Type of optional shelves</b>  |    |

### Doors

|                              |          |                            |       |
|------------------------------|----------|----------------------------|-------|
| <b>Number of doors</b>       | 1        | <b>Frame color</b>         | Black |
| <b>Reversible door</b>       | No       | <b>Lock</b>                | No    |
| <b>Door type</b>             | Glass    | <b>Door rack</b>           | No    |
| <b>Anti-UV treated glass</b> | Yes      | <b>Door opening</b>        | Right |
| <b>Glass type</b>            | 2-layers | <b>Model of handle</b>     |       |
| <b>Tempered glass</b>        | Yes      | <b>Position of handle</b>  |       |
| <b>Glass color</b>           | Grey     | <b>Handle entraxe (cm)</b> |       |

### Construction

|                                  |                   |                                   |       |
|----------------------------------|-------------------|-----------------------------------|-------|
| <b>Body type</b>                 | Sheet metal       | <b>Charcoal filter</b>            | No    |
| <b>Body color</b>                | Black             | <b>Light</b>                      | Yes   |
| <b>Interior color</b>            | Black             | <b>Light ON/OFF switch button</b> | Yes   |
| <b>Type of side walls</b>        | PVC               | <b>Number of LED lights</b>       | 1     |
| <b>Bottom wall type</b>          | PVC               | <b>Light color</b>                | White |
| <b>Insulation type</b>           | Polyurethane foam | <b>Lighting power (W)</b>         | 0.50  |
| <b>Foaming agent</b>             | Cyclopentane      | <b>Automatic defrost</b>          | Yes   |
| <b>Number of adjustable feet</b> | 2                 | <b>Anti-vibration system</b>      | Yes   |
| <b>Height of feet (cm)</b>       | 2.0               | <b>Removable ventilation grid</b> | No    |
| <b>Number of wheels</b>          | 0                 | <b>Demo mode</b>                  | No    |
| <b>Plumbing passage</b>          | No                | <b>Comment</b>                    | -     |

|-------------------------------------|-------|-----------------------------------|--------------|
| <b>Climate class</b>                | N/SN  | <b>Gas charge (g)</b>             |              |
| <b>Energy Class</b>                 | A     | <b>Serial number R600</b>         |              |
| <b>Noise level (dB)</b>             | 37    | <b>Charge in R600 (g)</b>         | 19           |
| <b>Daily electrical cons. (kW)</b>  | 0.297 | <b>Eco-contribution</b>           | Yes          |
| <b>Annual electrical cons. (kW)</b> | 108   | <b>Eco-contribution status</b>    | INT          |
| <b>Product category</b>             | 2     | <b>Eco-contribution code</b>      | 01.1A        |
| <b>EEL</b>                          |       | <b>Eco-contribution type</b>      | M            |
| <b>Type of gas</b>                  | R600A | <b>Eco-contribution belonging</b> | Wine cabinet |

### Logistics

|                          |     |                               |          |
|--------------------------|-----|-------------------------------|----------|
| <b>20' units (nb)</b>    | 108 | <b>Units by full truck</b>    | 180      |
| <b>40' units (nb)</b>    | 216 | <b>Pallet dimensions (cm)</b> | 0        |
| <b>40' HC units (nb)</b> | 270 | <b>Customs code</b>           | 84185090 |

### Other information

|                            |                                                                                                                                                                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Argument title</b>      | Built-in range                                                                                                                                                                                                                                                                   |
| <b>Commercial argument</b> | <p><i>An Avintage innovation and exclusivity!</i></p> <p>- <b>Push-pull system:</b> no need for a handle to open and close your door. A slight bit of pressure on the top corner on the left side and it's done!</p> <p>- Optimization of energy consumption: <b>A class</b></p> |
